

A Sound Routine, Vol. 2 Long Tones

Instructions:

- 1) Listen to me play for two measures each.
- 2) Play exactly what you hear me play while I'm resting.
- 3) Or...Play when I play and rest when I rest. Play softly enough to fit your sound into my sound.

2.1 Track 1, Long Tones on G-Natural

I Play or We Play
You Listen

You Play (Copy)
I Rest or We Rest

I Play or We Play
You Listen

You Play (Copy)
I Rest or We Rest

2.2 Track 2, Long Tones on G-Sharp/A-Flat

Did you breathe in time?

2.3 Track 3, Long Tones on A-Natural

How was your intonation on this note? Flat? In-tune? Sharp?!

2.4 Track 4, Long Tones on A-Sharp/B-Flat

How well did you match my sound?
Could you hear more of me or more of your sound?

2.5 Track 5, Long Tones on B-Natural

Is it well-supported sound with enough air?

2.6 Track 6, Long Tones on C-Natural

How loud or soft are you playing?
